2019 Fall Program Prayer

There is only one Presence and Power in my life. It awakens my soul each day to the divine purpose I have come to express.

I am empowered by this divine energy to accept myself and every experience that comes my way. I use the power of my mind to focus on creating a life filled with happiness and joy.

I know that my soul is calling me to believe in all that is possible for me. This spark of conscious living ignites in me and I take command of my life.

*I turn within, partner with God, and step boldly into the life I was meant to live and all that I have come here to be.
And so it is, amen.*
