

## The Soul of Money Week 5

### Put a Voice to Your Legacy

1. My words impact how I feel, what I experience, and how I see the world at any moment.
2. I have the power to shift, change, and create conversation that shapes my circumstances in positive and prosperous ways.
3. I value making a difference more than make a fortune.

## 2018 Fall Program Prayer

*Grounded in the Truth that God is my source, I awaken to a new relationship with money. I affirm that money does not define who I am or what I am worth.*

*I open my eyes to an abundant world, appreciating all that I already have. In partnership with my soul, I use money as a conduit to express my heartfelt dreams and deepest beliefs.*

*True value lies in honoring my commitments and making a difference for good in the world. I experience prosperity, joy, and transformation as I use money as an instrument of my soul. And so it is, amen.*
